

# How the County Council elections on 2nd May affect your household

**John Bennison is the Community Campaign Hart (CCH) candidate for your Hampshire County Councillor in Church Crookham, Fleet Courtmoor, Crookham Village and Ewshot.**

## Looking after your interests

John Bennison has been active in serving the local community since first elected to Hart District Council in 2006. He is also a representative on Church Crookham Parish Council, where he has been primarily focussed on improving sport and recreation facilities. John has been particularly engaged in negotiating for community facilities on the Crookham Park development.

**If elected as your county councillor, John will use his local knowledge and experience to tackle the county-controlled issues that matter most to your community, such as:**

- Road related infrastructure
- Highways maintenance
- Provision of outstanding schools with sufficient capacity for all local children
- Maintaining access to green space
- Preservation of our quality of life

## Local and active

The Community Campaign has a track record of active representation. In last year's elections we promised that we would use our influence to prevent a major expansion of Fleet from enveloping Crookham Village. Not only did we deliver on our promise to get Grove Farm taken out of the Local Development Plan (LDP), but we are assisting Hart District Council in preparing the arguments to defend the revised LDP at the critical public inquiry.

## Why local people support CCH

**Now with seven councillors in Hart District, CCH is a resident's association group free from party politics, so we are able to exercise our best judgement on all issues. We pursue the needs of the community, not a political agenda.**

### Jenny Radley with John at the new games pitch in Church Crookham

Jenny Radley has been your County Councillor for the last four years, in which time she has helped in securing the building of the new school on the Crookham Park (QEB) site and worked tirelessly to get highway improvements.

Despite her successes, Jenny has decided to step back from her County role at this year's elections to meet fresh local challenges.

John Bennison is hoping to replace Jenny Radley at Hampshire County Council and seeks your vote.

**For strong local representation,  
Vote for John BENNISON on Thursday 2nd May.**
